

Did you know?

The Archbishop's Annual Appeal, through the Vicariate Outreach Program, provides funding for grants that offer burial assistance.

This line of assistance is available based upon the recommendation from pastors and administrators for parishioners experiencing extreme financial hardship when faced with burial costs.

Applications must be submitted by the pastor to the Appeal Office. Pastors, please complete the Parish Referral Form for consideration. Checks can only be used for expenses directly related to burial or cremation costs and are distributed directly to the funeral home or cemetery, not individuals or parishes.
